SCHOOL LEADERSHIP

What price leadership? To be a leader one must, of course, be a convincing sort of person. There are a great many leaders but quite a few of them are not all really good leaders. A bad leader is one who is just not a leader in the literal sense of the word, or one who ill-uses his powers. A leader should be considerate of those he leads.

There are two kinds of leaders. One is a person who leads his fellow in some feat of mental action We are not so concerned with this kind as with the kind that can get before a crowd and justly say what they should do and why.

Many things can be accomplished by knowing how to lead and one of the best places to learn is in school. Dare to be first in things of which you approve. Do not be timid. You will see where you get by learning how and showing that you know how to lead. But one last warning: do not be overbearing.—Lumberton Blue and White.

—P. O. H.—

Ma: That boy of ours gets more like you every day."

Willie's father (meekly): "What's he been up to now?"

Who Are These?

BOBBY WALLS—Son of Celeste McDade Walls.

CHAS. WILSON, JOAN NA, and ALICE—Children of Mrs. Alice Ford Moore.

No they are not orphanage children, they are Barium's grand children. One of them is the red headed son of Vanilla Bolden Boyles, another the son of Sam Jackins and Mrs. Jackins, once just Margaret Jones. Then there are Warlicks, McDades, and Judith Bowman Newsome's youngster, and the son of Elsie Beck Wright.

Come to Home Coming Day all you old timers. Find out who these youngsters are, and renew old friendships with the parents.

Home Coming Day this year is Thursday December 26th. Barium is again your home for that day.

HOME COMING DAY DECEMBER 26, 1929

It seems only a short time ago when we had our last Home Coming Day, and it was a most delightful occasion. The largest number of Old Timers returned, on any day yet. We hope the approaching Home Coming Day will exceed that. December the 26th was the date selected at the last meeting of the Alumni Association, and we are looking forward to that date with lively anticipation. There will be many things to talk about.

We are not going to arrange any special program for the entertainment of the returning Bariumites, but are going to let them enjoy themselves in their own way, associating with each other and in visiting scenes of their more or less distant childhood.

It has been our observation that the children of these Old Timers get as large a kick out of these Home Coming Days as the Alumni themselves. We hope more and more of this second generation will come. They are not a bad looking lot at all, as evidenced by the pictures on this page.

Synod

Synod Cottage, Nov. 21—My, how time does fly! Three months of school has gone and only one month until Christmas! We have written Santa Claus and told him what we want—thanks to him for asking us.

Jack Frost has started making his morning calls. We will soon have to put on our shoes to keep him from biting our toes. It will seem funny to wear them after having them off so long.

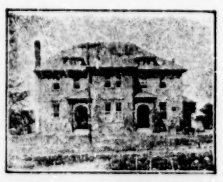
Football season will soon be up and basketball will start. We certainly have enjoyed the games and hope the girls will play as good as the boys have.

We were glad to welcome Mrs. Mengirt, our new caseworker, to our cottage. Hope she likes to stay here.

Miss Doggett's uncle came to see us and brought us some candy and chewing gum. We enjoyed both very much, and will thank him a lot.

Good-bye until after Christmas.

Alexander - Dairy



Alexander and Dairy Nov. 18—Thanksgiving is right around the corner and we are expecting a big day then.

Rabbit season has started and the boys sure are starting a good year at them. Ithink the Fort boys have caught the most so far.

Wehad some mighty bad weather last week but it has cleared off now.

We have been enjoyed the football games here and at Davidson college too. We thank our dairy boss for letting us milk early so we can see them.

Our poultry business bas picked up quiet a lot we have about twenty five chickens now and they are still growing strong.

Our real estate is picking up also. Our carpenters Herbert Blue and Jarrel Norman have just finished a two storie house.

Buddie Hewitt,one of the boys from our cottage has been sick with the flue but he has recovered now and back milking the cows.

We had another cow gave to us the other day and we certainly appreciate it very much. Every body is studying hardin their school work so they will make their grade. We have no more news so we will close. Yours till the cows go dry.

Ed Oliver

—P. O. H.—

"When Henry Reynold's little boy explained to daddy that he didn't care to go to the football game last Friday and see the local team whip those poor little orphan children," he had his dope all mixed up.

Joe Johnson brought the best trained bunch of fair fighters over here that we have seen in a long time—and they went away with the long end of a 13-0 score, leaving the local eleven with only one consolation: they didn't beat us as badly as they beat Statesville, whom the local team tied.—Wilkes Patriot, Oct. 24th.

—P. O. H.—

A young man asked another how he could teach a girl to swim.

"You go up to her," said the other, "take her hand gentle, lead herdown to the water, put your arm 'round her waist—"

"Look here!" interrupted the instructor-to-be, "she's my sister."

"Your sister! Oh. shove her in!" —EX.

Merry Christmas And Happy New

Barium Springs Licks Belmont

Orphans Prove Too Speedy for Strong Eleven Representing Belmont Abbey

GAME AT DAVIDSON

Davidson, Nov. 23.—The Crimson Wave of Belmont Abbey might be a wave under ordinary circumstances, but it failed to make even a ripple on the ice soaked plot of Richardson Field here this afternoon as the Barium Springs boys smothered them under a 19 to 0 defeat.

Barium started off in flashy form to make three first downs and carry the ball to Belmont's 13 yard line in the first period. Here the Abbey boys tightened and the first period ended scoreless. Barium tallied twice in the second bracket.

GAIN ON PUNTS

An exchange of kicks gave Barium the ball on Belmont's 15 yard line and by successive thrusts, Brown finally plunged over to tally. The kickoff was onside, Brown of Barium falling on the ball on Belmont's 43 yard line. Jabs pierced the Belmont forward until it was 38 yards from goal when Jackins made the prettiest run of the afternoon to go the necessary distance to score. He then bucked the line for extra point.

As the third period opened Belmont threatened. Eiserhart clipped off 17 yards and a first down, followed by Mooney with 10 more. Belmont went to the air at this juncture and did so futilely, the ball changing hands 25 yards from a touchdown. It was the only threat of Belmont during the afternoon.

THIRD SCORE

Barium's third touchdown came in the final bracket when M. Lee blocked Belmont punt and L. West caught it in the air to travel 20 yards for a score . The Belmont boys, however badly defeated they were, staged a pretty second half and led in the day's first downs six to five, one of the former by penalty.

Belmont	Position	Barium
Manly	L. E.	West L.
Lansche	L. T.	Potter
Rogers	L. G.	Clarke
Carey	Center	Lee, J.
McShain	R. G.	Shaffer
O'Connell, C	R. T.	Lee, M.
Davis	R. E.	Donaldson
Howard	Q. B.	West, J. (C)
Eiserhart	L. H.	Jackins
Madigan	R. H.	McKay
Mooney	F. B.	Brown

Score by period:

Belmont	0	0	0	0	—0
Barium	0	13	0	6	—19

Scoring: Touchdowns: Barium Brown, Jackins, L. West. Extra point: Jackins, (line plunge.)

Officials: Baker (Davidson) referee; McCall (Davidson), umpire; Henderson (Davidson), head linesman.

———P. O. H. ———

BARIUM RESERVES DEFEAT D. & D. 14-7

Youngsters Play Good Game at Orphanage Grounds

As an appetizer for the annual Davidson-Duke gridiron battle at Davidson this afternoon, the Barium Springs reserve eleven, a brooder of good sound football players for the Barium varsity and for the Davidson eleven in future years, won over the North Carolina School for the Deaf and Dumb at Barium this morning by the score of 14 to 7, in an intensely interesting contest.

This was Barium Reserves sixth straight victory of the season and also their final game of the season.

Neither team was able to score in the first period, both teams fumbling frequently but early in the second quarter Barium put over a touchdown and scored an extra point. In the third period Barium scored their second and final touchdown of the game and added the extra point. Late in the final quarter, with Barium substitutes in the game, the visitors put over their lone touchdown of the game and added the extra point. Sears, Blue and Woodward, also Pittman, were Barium's main ground gainers, while Rouse and Gambrill did most of the visitor's ground gaining.

———P. O. H.———

It was dust and she stopped at the filling station.

"I want a quart of red oil," she said to the service man. The man gasped and hesitated. "Give me a quart of red oil," she repeated.

"A q-q-quart of r-r-red oil?" he stuttered.

"Certainly," she said, "My tail light is out!"—Pacific Mutual News.

Getting Information Out of Pa

My pa, he didn't go downtown
  Last evening after tea,
But got a book and settled down
  As comf'y as could be.
I'll tell you I was offul glad
  To have my pa about
To answer all the things I had
  Been tryin' to find out.
And so I asked him why the world
  Is round instead of square,
And why the piggies' tail are curled
  And why don't fish breathe air,
And why the moon don't hit a star,
  And why the dark is black,
And jest how many birds there are,
  And will the wind come back
And why a horse can't learn to moo,
  And why a cow can't neigh,
And do the fairys live on dew,
  And what makes hair grow gray?
And then pa got up an' gee,
  The offul words he said!
I hadn't done a thing but he
  Just sent me off to bed.

—Methodist Advocate

Year To All--- (Greetings From Barium Family)

Rumple Hall

Rumple Hall, November 22—Well here it is getting cold weather again and our punishment is raking leaves. Oh boy! but we'll be glad when all the leaves are gone.

Miss Overman left us last Friday night and we haven't seen her since. We miss her so much but we surely have a nice matron in her place. We think she is coming back some time this week.

We wrote our Christmas letters to-day and everybody enjoyed writing them.

Thanksgiving is right around the corner and oh boy! a holiday! Everyone is expecting to have a good time.

Mrs. McGirt lets us girls use her type writer and I think all the girls enjoy type writing.

We are all glad to have Miss Moore back again although we like Miss Brawley.

Naomi, one of our most beloved girls, spent a day at her home in Monroe and we sure did miss her, but were glad she had the opportunity of spending the day with her home folks as it had been nearly seven years since she had had the opportunity of seeing them.

Have you ever heard this one?: A little four-year-old Bessie was carrying her pet dog by the tail the other day when her father met her.

"Bessie, aren't you ashamed of yourself," he asked, "carrying your little pet in that manner?"

"Well, you see," she carefully explained, "the other end bites me."

Well as this is all the news we know we will close until next month.

—From the dish washers
Lillie Bobbitt and Janie Roberts.

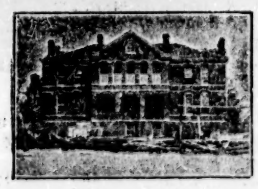
Lees



Lees Cottage, Nov. 22—Again you are listening to Lees broadcast. This letter finds us too busy writing to St. Nicholas—for Christmas is just around the corner, and we are writing Santa, hoping to get those things that we want.

We have already had three months of school—time gets by quickly, doesn't it?

A lot of our boys are going to Davidson Saturday to see the Barium varsity team play Belmont Abbey Junior College—and we hope we'll win.

We'll be glad when they get our new boiler fixed; then there will be a lot of heat. Ta Ta.

(Signed) B. Greeson.

It Is Beginning To Come In

PRESBYTERY	NOVEMBER RECEIPTS Reg.—Thanksgiv.		Amount Per Member	Total Amount Per Member For Year	Total Amount Due Per Member	STANDING

This is a busy time in the office at Barium Springs.

We wish it were possible to give out information on the Thanksgiving offering like you can on an election. We have inquiries by mail and by telephone daily as to how our Thanksgiving contributions totalled up. As a matter of fact, we can't give clear information on that until late in January, because money comes in all during December and January, from the Thanksgiving offering. Just at this time, very little has come in. Only one of the larger churches having sent in their Thanksgiving offering. We have had splendid contributions from different departments of different churches. The Gleaners Class of High Point First; the Auxiliary of Charlotte Second, and the Auxiliary of the Raleigh First, have sent in splendid Thanksgiving offerings; and a number of small churches have sent in their entire offering.

Our Table of Receipts shows that we have received altogether, Five Thousand Three Hundred and Ninety Dollars ($5,390.00) of Thanksgiving offerings. We received Four Thousand Five Hundred and Fifty-four Dollars of regular contributions on the 7½ per cent. The standing of the Table is practically the same as it was at this date last year. The total received on a per member basis was 45.7 cents. This year, 46.3. The fact that there was one more day in November after Thanksgiving this year than last, accounts for this difference.

In addition to the gifts in money, we have had several splendid gifts in other ways. Mrs. John Sprunt Hill of Durham, has presented the Orphanage with Ten Thousand Dollars worth of Securities, yielding 6 per cent revenue. This together with a similar gift last year, increased our Endowment very materially.

As this is written, there are two pieces of real estate that are being presented to the Orphanage. These will yield some revenue and should in time, be very valuable additions to the Orphanage property. We are not at liberty at this time to announce either the donors or the gifts.

At the suggestion of one of the members of the Board of Regents, we will give some additional information with this Table of Receipts each month. The idea is to show the way our finances stand at the beginning of the church year. To each month, give the total of the receipts from all sources and the total of expenditures, and then, each month, a total of the amount we are behind or ahead. We are in hopes that, beginning our new church year, in 1930, April the first, that we can start out with a "Balance" instead of a "Deficit." This may seem like just a dream, but we are hoping that this will some day come about.

It isn't possible at this time to give the information on our current church year other than in general terms.

———P. O. H.———

At the "District Mail Advertising was told of an advertising salesman Convention" at Cincinnati, the story who, upon arriving at the hotel, was met by the porter who wanted to know how many trunks he carrid.

"I use no trunks," the saleman replied.

"Oh, I thought you wuz one of these traveling salesman gentlemen," said the porter.

"I am, but I sell brains, understand? I sell brains."

"Well, excuse me, Boss, but yous the first traveling fella' that's been here this season who ain't carryin' no samples."

¶—**EXPLANATION: The revenue from the churches needed for the orphanage for the year amounts to $107,000—an average $1.50 per church member, or 12½ cents per month. This table shows each month the contributions by the Presbyteries and how far behind or ahead they are on this schedule. The last column shows the standing. This does not mean that only $1.50 is expected from any member, but is used in reporting on large groups like a Presbytery.**

Gifts

Mt. Ulla, Mrs. Euphie Graham, one quilt.
Efland, Fairfield Aux. one quilt.
Wagram, Home Circle, Montpelia Church. one quilt.
Wagram, Circle 1, Montpelia Church. two quilts, and 42 qts. fruit.

Waxhaw, Mrs. H. J. Rodman, miscellaneous gifts.
Mt. Ulla Presbyterian Church, 6 qts. fruit, 2 bushels potatoes, 1 bolt cloth.

———P. O. H.———

Laundry

Laundry Nov. 26— "Chinese Wash-out Et Dryout Clubhouse."

A 'ittle soap, lotta dirt,
Tubs of water, and a shirt;
All fall in, none dare to shirk
That's our kind of laundry work.

The reason for our news items are few and far between is that the baskets of Jennie Gilmer shirts have certainly not been few and far between. But in the meantime we have been able to organize our faithful band and are prepared to exhibit first class laundry (modeled strait leading from China).

President, Miss Ford
Vice President, Millie To-Morrow
Sec. and Treas. Donaldson (why?)
Electrician, Toka Torrence (not so easily shocked,)
Health Officer, Dr. Kerly.
News Paper Reporter, "Toutes les monde"
Recreation Director, "Jack-rabbit Jackins
Pianist, Bolden
Orchard keepers—Lottie Long and "Fattie" Walton.
Soothsayers—Avis and Ruth.
Mascot—Old Laundry Truck and Chauffeur, Miss Doggett.
Footman—Robert Blue.

The topic which is being discussed and rediscussed is, "How many week ends are the Seniors going to get?" We wonder, we hope, we dream! And trust it will result in our Latin soliloquy, "I come, you saw, we conquered!"

Isn't our football team a wonderful "wow" this year? Only lost one game and that one just by two points. We know we could lick Winston High now. Give us another chance, won't cha.

Good Will

A business house rates Good-will as being a very valuable asset. Generally represented by actual profits in the business. To Barium Springs, it means more than that. Of course, it means contributions; but if it stopped at that, we would not be anything like as satisfied or as happy as we are over the good will toward this great Institution expressed in other ways than money.

We don't believe there is any family anywhere that has as many friends as the family of Barium Springs Orphanage. Recently, one of our Alumni who is now a student at Davidson College, distinguished himself on the football team. In fact, he did something that is so unusual that his name was possibly the most-talked of in—certainly this section of the South. We refer to Brock, Captain of Davidson Football Team.

We do not know how many telegrams, letters and personal congratulations the coaches and other officials of Davidson College received about this but we at Barium Springs received so many that it was almost as if Barium Springs team had performed the feat.

It is certainly pleasant to know that our friends continue to follow the fortunes of members of our family after they have left the Orphanage. We look on them as our own and feel as much personal interest in their activities as when they were actually staying at Barium.

It was rather a co-incidence that on the day after Thanksgiving, the names of the two football players most in the limelight in the entire South—Brock of Davidson, and Dunlop of Georgia Tech, are the products of Presbyterian Orphanages. Earl Dunlop finished at Thornwell Orphanage the same year that Brock finished at Barium. Isn't it a pity that he is not displaying his wares at P. C. instead of Tech?

Speaking further of Good-Will, we will just mention a few of the things that made our Thanksgiving week so delightful: We have mentioned elsewhere the chickens we knew were coming from Steele Creek; the flour from Mooresville, the ice cream from the members of the North Carolina Ice Cream Association. In addition to that, there were apples from Richmond, Va., cakes from everywhere, it seemed, with one great big box full from Durham. And then, there was some money sent for cranberries, from Greensboro. Altogether, our Thanksgiving Dinner was one gorgeous one. We had as our guests fifteen boys from the Morganton School for the Deaf. They played a great game of ball with our 125-pounders, in the morning, and were our guests for dinner and also at the Davidson-Duke game in the afternoon.

Already, Christmas is in the air. We received notice of a whole barrel of candy from Lexington. The names of the various donors are published elsewhere, and all of these things are just evidences of the love that we know exists among our people for our family at Barium Springs, and it makes us happy indeed to know that this love exists.

———P. O. H.———

THE TEACHER AND IDEALS

This teaching of ideals is by its nature spontaneous and unstudied. And it has had to be sincere. The public school teacher cannot live apart; he cannot separate his teaching from his daily walk and conversation. He lives among his pupils during school hours, and among them and their parents all the time. He is peculiarly a public character under the most searching scrutiny of watchful and critical eyes. His life is an open book. His habits are known to all. His office, like that of a minister of religion, demands of him an exceptional standard of conduct. And how rarely does a teacher fall below that standard! How seldom does a teacher figure in a sensational headline in a newspaper! It is truly remarkable, I think, that so vast an army of people—approximately eight hundred thousand—so uniformly meets its obligation, so effectively does its job, so decently behaves itself as to be almost utterly inconspicuous in a sensation-loving country. It implies a wealth of character, of tact, of patience, of quiet competence, to achieve such a record as that.—Herbert Hoover

———P. O. H.———

"Oh, yes, we have a wonderful climate," said the man from southern Texas. "Why, only last season we raised a pumpkin so large that, after sawing it into, my wife used the halves as cradles in which to rock the babies."

"Yes," replied the man from New York; "but in my state it is a common thing to find three full-grown policeman asleep on one beat."—Ex.

"What makes you scratch your head?"

"Because'" said the youngster, 'I'm the only one that knows it itches.'
—EX.

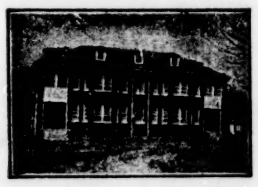
Baby Cottage



Baby Cottage Nov. 18—Today Miss Hanna is taking three baby girls and two boys to Mooresville to sing 'Give Thanks.' We all sing it beautifully—but the nice lady thats coming for the babies can only take five in her car. We are hoping Rhoda, Margaret and Catherine, with Tom and William, will sing as well there as here, and that Miss Hanna and Mr. Johnston will be proud of them.

We are so happy the rain has stopped—and we are having such a lovely sunshine day.

We've had some nice visitors since our last letter—a beautiful little girl named Marian Elliott from Catawba, came with her aunt, Miss Young, to see us and brought our little Mabel Weddington a splendid warm cap to wear with her new red sweater that came in her clothing box. These good people dress Mabel. We enjoyed little Miss Marian Elliott very much and would like to have her come and spend a whole day sometime. Then just so many big ladies have been here we couldn't begin to tell you all their names.

Miss Doggett's little neice, and Mr. and Mrs. Johnston from Tennessee came and took us all for a grand ride in their handsome car and bought big 'all-day suckers" and chewing gum to last us a long time. We were a happy crowd as well as very noisy, any way. We just wish that Mr. and Mrs. Johnston (Miss Doggett's folks) would come often.

Mr. Billings came to see Mable and William this last Saturday and brought apples to everybody in Baby Cottage. They surely were fine good apples! And you may guess we enjoyed them.

Thanksgiving Day is near, and we realize we have lots to be thankful for. We have everything we need to eat, warm clothes to wear, and lots of folks to love us.

We must not forget to tell you how very much we enjoy the pictures Mr. Edwin Gould sent Mr. Johnston for us. Mr. Gould gave us a canary bird nearly two years ago and we loved it so much! 'Twas a beautiful singer. Not long ago it died—and most all of us felt like crying— and some of us did cry. Miss Helen says she is going to get us another bird as soon as she can go to Spartanburg —and we'll be so glad.

Athletics

There are lots of events in this good old month of November, and we will have to cover the athletic history of this month in condensed form to keep from monopolizing too much space in this paper.

Right on the first day of the month we took on the Baby of the Presbyterian fold—the Presbyterian Junior College of Maxton.

This is their first year as a college, and of course, their first year as a team, and while their team showed excellent individual playing, it has not yet had time to function smoothly as a team.

They outweighed Barium Springs somewhat, but our victory was decisive. 32-0 being the final score. The High School Stadium in Charlotte being the scene of the conflict.

On Thursday, November the 7th, we took on the splendid little team from the Children's Home of Winston-Salem, known as "The Winston Methodists". This team is lighter than Barium Springs. It is not often that we go up against a lighter team, and it was almost better than Barium Springs. The game started out with ample rooting on both sides of the field. Winston couldn't gain through Barium's line, and it looked like Barium would win an easy victory, until something happened, and that something was Winston's pulling the most beautiful pass that has been executed on Barium field in many a day. Winston had the ball on their own twenty yard line. One of the boys stepped back, apparently to kick; instead he took the ball and looked very leisurely and carefully around over the field and finally threw a fifty-yard heave to a little End that had gone way down. This one play resulted in a touchdown. Try for point failed .

The game stayed just in this condition until the middle of the last quarter, when Barium from near her own goal started a drive which consisted mainly of two passes—one to McKay and one to Brown, which resulted in a touchdown. Brown carried over the ball for the extra point and the final score was 7-6. The closest game we have had since playing Winston High. All glory to those scrappy little Methodists from the Hill City.

The next game was on the 14th, at Barium against Davidson and Cornelius High Schools. This combination team presented the heaviest line that we have gone against. One tackle weighed 220; the other, 210. They also showed good individual playing, but rather poor teamwork. The outstanding player on that team was their safety man whose carrying back of punts and general leadership of the team was most excellent. The final score in this game was 27-0 in favor of Barium. A write-up of the game between Belmont Abbey and Barium will appear elsewhere in this number. So much for varsity doings!

The 125-pound team took on Belmont Abbey lightweights on Barium Springs ground for a return game, and the game ended in victory for Barium, 18-0. In the first half of this game our boys couldn't get going, but in the second half, they did better. Little Branch, the brother of the now famous Johnnie Branch, is one of the smaller members of this team. This team of 125-pounders then journeyed to Asheville and took on a team of lightweights from the Asheville School for Boys, defeating them 26-0. Then this team, together with a few substitutes from the varsity, played Mooresville on Barium grounds winning 21-0. Our 115-pound team was gotten together from this team and from the 100-pound team, and they played the Davidson Scouts, a fine scrappy little bunch, and the result was 12-0 in favor of Barium.

100 POUND CONFERENCE

The 100-pound conference has trecked along, the most remarkable development in that being the splendid improvement shown by Statesville. Statesville started her season by being defeated by Barium 20-0. She then proceeded to clean up everything else on her schedule, beating Troutman once, and Salisbury twice by rather lop-sided scores: and when Barium went up against Statesville for her second game, the resultwas a tie. Statesville, of course is second only to Barium Springs in the rating. In the Southern Group of Conference, having only one defeat and one tie. Barium, with no defeat and one tie, is the winner and will play the winner of the Upper Group, probably November the 30th. The only games that we have record of being played in the Upper Group is Lexington, 13; Winston-Salem, 6.

In addition to the regular Conference games in which Barium has the record, as shown below, they also have played a team of Deaf mutes from the School for the Deaf at Morganton. This game was played between the halves and after the big Carolina game at Davidson, and resulted in a bare victory for Barium of 6-0. A second game with this team will be recorded elsewhere in this issue.

The record of Barium's games in the Conference is as follows:

Barium 20	Statesville 0
Barium 45	Troutman 0
Barium 14	Salisbury 0

Howard

Howard Cottage, Nov. 18—It seems such a short time since we wrote the news for last month.

If time keeps flying this way Christmas will soon be here. Already the girls are talking about what they are going to ask Santa Claus to bring them. Thanksgiving is right around the corner now, and, oh boy, how we are looking forward to that big dinner.

We surely will be glad when they get the smokestack finished and the new boiler put in so we can have more steam these cold mornings.

We want to correct our mistake about the merit roll last month, there were eight of our girls on the merit roll and one on the honor roll.

Miss Woods spent last week end with her parents at Mooresville, and Mrs. McGirt was our matron. She and Miss McGoogan took us for a long walk Sunday evening and we enjoyed it very much.

Mrs. Grier's little niece, Mary Ellen Morrison, only two years old, is visiting her and we enjoy hearing her cute little baby talk.

We certainly had a good time at our Halloween party We thank Misses Patterson and McDade for giving us such a good time. Laura Lee Norman got the prize for being dressed the tackiest, and Clara Wadsworth got the prize for pinning the cats tail the nearest right.

Edmonia Steele, Wilma Dry, Janie Lyons and Hattie Morris are the mending girls who have learned to use a thimble. We darn stockings Tuesday and Fridays and mend clothes on Thursdays.

—Hattie Morris.

Lottie Walker

1st FLOOR

Lottie Walker First Floor, Nov. 20—The sunshine feels good after the week's rain. We were sorry the weather was so bad while the Regents were here. We always enjoy entertaining the ladies. Some of them who came to see the Home did not let the rain stop them, but visited most of the cottages any way. One of the old girls, Thelma Prier who is now Mrs. Severs, made us a short visit a few days ago. Mrs. Severs lives in Charlotte, but had never been back since she finished in the Class of '16. Mrs. Wilson from Statesville, is visiting her children this afternoon.

We are looking forward to having sausage one of these nights—killed hogs today.

We are expecting a marine band on the campus this afternoon to play for us. Isn't that kind of them to give us this pleasure. So many good things come our way.

Keep us busy those days raking leaves. They fall so fast! yet not fast enough; since we would like to get thro! The flowers are almost gone to. so our campus begins to look bare.

The foot ball season is about over. But never mind boys the girls will entertain you for a while thro the winter with basket ball and we want you to root for us;

Mr. Thomas is gathering the pecans. I hope we have a good crop we love them. We have very little sickness in our big family.

The good people from different place's are remembering us with so many nice quilts for which we are grateful.

Won't be long now until Christmas. we are thinking already about what we want Santa Claus to bring us.

Home coming day will be the day after Christmas—Dec. 26. We hope there will be some of the old children of the Home who have never been back, or not in a long time, you dont know what you are going to miss by not coming and you should come and see what great improvments have been made since some of you left.

Mrs. Ketchie made us a short visit this afternoon.

Birthday dinner today. The December children will have the first mess of sausage.

We don't have much time to write for the paper as our time now is about taken up.

Barium 0	Statesville 0
Barium 12	Salisbury 6

Infirmary

Infirmary, Nov. 16.

Christmas is just around the corner! Aren't you glad? We sure are. We have almost gone looney trying to think what we want Santa Clause to bring us.

We have been enjoying the football games that we have been going to and hope we will get to go to all of them.

We sure do thank Mr. Nesbit and Mr. Calvin for making us a clothes-chute to put the soiled clothes thru; to the basement, for our clothes room was crowed and we needed one real bad. We also thank the people of Circle No three at Salisbury for our new clock. We put it in the hall so everybody could see it when they came in the door.

Miss Hanna came down to live with us last month and we hope she likes to stay with us. We are head over heels in love with Mrs. McGirt, our new student-matron that came from Maxton to live with us. We hope she will stay a long time.

We have had a good many sick folks this month, but did not have to stay long. Hope we don't have many this winter.

Two of our girls go to the birthday dinner this month. Know they will enjoy going.

Well our pencil is about to run out of lead, so we will close up for this time, by hoping you will have a nice Thanksgiving, and wishing you a Merry Christmas and a Happy New year.

———P. O. H.———

Lottie Walker

2nd FLOOR

Lottie Walker Second Floor Nov. 15

Hurrah! Three months of school gone! Every body happy? And Christmas only a month off! But Thanksgiving must come first, for which we are glad.

The athletic association is getting along fine since basket ball has started.

The Juniors beat the Sophomores in volley ball, but the Sophs are not the ones to stay under long.

We are all well on our floor since Mildred Morrow has come up from the Infirmary. She has been down there nearly a week.

Elmer Little went home for a day with her folks last week. She reported a fine time, although it was a surprise visit. Strange, wasn't it?

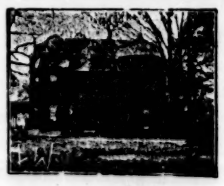
The Regents spent a day and night with us this week, and we hope they enjoyed the visit. They are always in such a hurry they don't have time to visit us any.

Marguerite and Elmer are trying to get slim, but they race to the bean pot every day in the kitchen and that tends to add curves.

There is a scarity of news so we close for a time.

———P. O. H.———

Annie Louise



Annie Louise Nov. 17—

We are looking forward to a big dinner Thanksgiving as we always have one.

We are glad to have Emma Eudy to come and live with us, and we hope she likes it fine.

We sure do thank Mr. Edwin Gould of New York City for the nice pictures he sent us.

We appreciate very much the fruit Mr. Thomas has given us and hope they will bring pecans soon.

We have been enjoying the football games of the season very much especially the one with Winston-Salem Orphanage and Davidson High School. Basketball starts December the first and we expect to win the games as we won the football games.

A number of our girls made the Merit and Honor Roll and hope they will keep it up.
